GALLERY

Gallery is a frameless, edge-to-edge glass display case with radiused corners and a clear edge. Gallery has a 6mm tempered safety glass face. The sub frames behind the glass are silver anodised extrusion. Gallery comes with a silver printed border; other colours can be printed to order by quotation. Gallery is available in standard A sizes from stock, from A4 to A1. Special sizes can be manufactured by quotation.

The bottom border on Gallery cases can be extended to hold brochure holders. Gallery is suitable for internal applications only. It can be used to display posters, transparencies or as a notice board. It is available in backlit or non-illuminated options.
